

I commend the efforts of Reverend Coleman and the other Kentuckians who coordinated the march on Frankfort, and hope that Kentucky continues to strive for equal rights for all of its citizens.●

#### RECOGNITION OF MORIAH KATHERINE NACHBAUR

● Mrs. BOXER. Madam President, I bring to the Senate's attention an exception and talented student, Moriah Katherine Nachbaur, 17, of Crystal Springs Uplands School in Redwood City, CA. Moriah is the daughter of Dr. Thomas and Susan Nachbaur.

Moriah Nachbaur was recently named a California finalist in the 2004 Intel Science Talent Search for her botany project. The Intel Science Board Talent Search recognizes and rewards America's brightest young minds for their achievements in science and math. Over 1,600 students applied nationwide for the 2004 Intel Science Talent Search, and the field has been narrowed to 40 finalists. A grand prize winner will be selected on March 16th in Washington, DC. I am proud that my State of California has three finalists.

At Crystal Springs Uplands School, Moriah plays varsity badminton. She is a classical pianist and an award winning photographer and poet. Moriah is an outstanding student who has earned many science honors.

California is proud of Moriah Nachbaur and I am pleased to recognize her outstanding accomplishment. I wish her the best of luck at the final awards event and continued success in her education.●

#### HONORING SANDY ASHWORTH AND THE BOUNDARY COUNTY LIBRARY

● Mr. CRAPO. Madam President, I rise today to honor Sandy Ashworth who was recently nominated by President Bush to serve on the National Commission on Libraries and Information Science, NCLIS, and confirmed by the Senate on January 26, 2004. In her capacity as a Commissioner, Sandy will provide advice to the President, Congress, and other policy makers on the library and information needs of the nation and the policies and plans necessary to meet those needs. Sandy's skills and experience will serve her well as she helps to shape the policy of the nation in this important area.

As 1 of only 12 appointees, Sandy's confirmation to the Commission is quite an honor. I know from first-hand experience that this recognition is well deserved. Sandy runs the Boundary County Library in Bonners Ferry, a facility I was pleased to visit recently. Each of the four full time and six part-time staff members are bringing neighbors and families together, promoting literacy, and providing educational and cultural resources to many who might not have them otherwise. Sandy has created a model library that provides an impressive range of services to sev-

eral rural communities. Her excellence is well-known, and recognition of her work has preceded this nomination. In 2002, First Lady Laura Bush presented the library with one of the prestigious Institute of Museum and Library Services' National Awards for Museum and Library Service. In 2003, Sandy was also named one of "Idaho's Brightest Stars," an award given to those who make a difference in the lives of children and families.

Truly, Sandy is one who has made a difference. She has worked diligently and with great effect for the citizens of Boundary County. I am certain she will bring the same energy to her new post and continue to have a positive impact as she represents Idaho in the NCLIS. Today, I join with her coworkers, family, and friends in honoring her contributions to the State of Idaho.●

#### RECOGNITION OF ARJUN ANAND SURI

● Mrs. Boxer. Madam President, today I bring to the Senate's attention an exceptional and talented student, Arjun Anand Suri, 17, of Clovis West High School in Fresno, CA. Arjun is the son of Doctors Madhav and Anuradha Suri.

Arjun Suri was recently named a California finalist in the 2004 Intel Science Talent Search for his biochemistry project. The Intel Science Talent search recognizes and rewards America's brightest young minds for their achievements in science and math. Over 1,600 students applied nationwide for the 2004 Intel Science Talent Search, and the field has been narrowed to 40 finalists. A grand prize winner will be selected on March 16 in Washington, DC. I am proud that my State of California has three finalists.

At Clovis West High School, Arjun is on the varsity tennis team, is captain of the academic decathlon team, vice president of his class and president of the Indian-Pakistani Club. Arjun is an excellent student who has earned perfect SAT scores and has many awards in science, math, history and writing. Arjun also finds time to volunteer in his community as an emergency room volunteer. I applaud his dedication to his studies and to his community.

California is proud of Arjun Suri, and I am pleased to recognize his outstanding accomplishment. I wish him the best of luck at the final awards event and continued success in his education.●

#### RECOGNIZING THE WORK OF DR. LANDRUM R. BOLLING

● Mr. LUGAR. Madam President, I rise today to share with my colleagues a few highlights from the remarkable lifetime of leadership and humanitarianism displayed by Dr. Landrum Bolling, former president of Earlham College.

From 1958 to 1973, Dr. Bolling led both the students and the faculty of Earlham College in numerous inter-

disciplinary programs grounded in peace, justice, equality, simplicity, and consensus decisionmaking. His vast personal experience with foreign cultures and religions facilitates his teaching of international studies and humanitarianism.

Currently, at the age of 90, Dr. Bolling serves as director-at-large of Mercy Corps, a not-for-profit organization that exists to alleviate suffering, poverty, and oppression by helping people build secure, productive, and just communities. Through his active involvement with Mercy Corps, he has once again joined forces with Earlham College to form the Landrum Bolling Fellowships in International Service program. The Landrum Bolling Fellowships provide qualified Earlham graduates with the opportunity to participate, on many levels, with Mercy Corps' tremendous humanitarian relief and development programs. It is certainly an opportunity for the students to apply, internationally, the concepts they have previously studied at Earlham College.

Dr. Bolling has dedicated his life to both academia and public service, and I am pleased to have this opportunity to congratulate him on his many worthwhile accomplishments.●

#### RECOGNITION OF PHILLIP THOMAS DEUTSCH

● Mrs. BOXER. Madam President, today I bring to the Senate's attention an exceptional and talented student, Phillip Thomas Deutsch, 17, of La Canada High School in La Canada, CA. Phillip is the son of Doctors Andrew Deutsch and Jeanne Wallace.

Phillip Deutsch was recently named a California finalist in the 2004 Intel Science Talent Search for his chemistry project. The Intel Science Talent Search recognizes and rewards America's brightest young minds for their achievements in science and math. Over 1,600 students applied nationwide for the 2004 Intel Science Talent Search, and the field has been narrowed to 40 finalists. A grant prize winner will be selected on March 16 in Washington, DC. I am proud that my state of California has three finalists.

At La Canada High School, Phillip is an outstanding student. He plays in the flute choir and the concert and marching bands. Phillip was also a semi-finalist for both the U.S. Chemistry and Physics Olympiad Teams in 2003.

Californians are proud of Phillip Deutsch, and I am pleased to recognize his outstanding accomplishment. I wish him the best of luck at the final awards event and continued success in his education.●
